As Time Goes By - Men's Arrangement/Learning Trax Combo

This is the classic song from the movie "Casablanca." This 4-part arrangement can be sung a cappella... or performed using either the available piano/bass parts or the pre-recorded, fully orchestrated accompaniment track (\$25). The ARRANGEMENT for both the accompanied and a cappella versions is EXACTLY THE SAME. Sung a cappella, it's a very nice piece. Sung using the accompaniment, it's a "show stopper" and I recommend it being performed as the last song in your program. Quartets and choruses singing at a "B-" contest level should be able to successfully learn and perform this arrangement making good use of the available high quality Vocal Learning Trax. (\$60). Halloween 6-Song Package - Men's Arrmt/LgTrax Combos

This is the 6-song Halloween arrmt/LgTrax **PACKAGE**. The total price for the package of all 6 songs (arrmts, learning trax, and instrumentally pre-recorded intros for each song) is \$350. Because of the large amount of material in the total package, (there are 43 different items in this package, including 30 learning trax mixes, 6 arrmts, and 6 accomp. track intros), I've had to combine all 43 items into one "zipped" file. When you download this zipped file, double click on the zipped file icon to view all 43 items.

Also please realize that this large download will take several minutes on a fairly fast computer,... and 10 to 15 minutes on a slow computer. If you only want to purchase one of the 6 song combos,... or one of the arrmts, please find those by individual titles in the Men's lists. Also included with this "package" is the full, balanced mixes of all 6 songs (Halloween Medley).... perfect for singing along with as the songs play on a portable sound system on a float in a Halloween parade.

Waiting For The Robert E. Lee - Men's Arrangement/Learning Trax Combo

A "fresh" rendition of this great "driving" contest uptune., with special attention paid to arrange the best "VOICE LEADING" possible for a song that is typically sung quite fast... with the Bases leaping up and down a lot. The result is better horizontal "flow" (much better Bass lines) and, as a result, a natural improvement in vertical harmony accuracy. Check it out. Sung by 4th place (SAI) Night Magic Quartet, Revival (SPEB) champs, San Diego (SAI), Jacksonville Harmony, Spokane Falls, Orange Empire, Binghamton Chapter, and Casino Quartet. Quartets and choruses singing at a "B-" contest level should be able to successfully learn and perform this arrangement making good use of the available high quality Vocal Learning Trax. (\$60).
