God Bless The USA (Proud To Be An American) - Women's Arrmt/LgTrax Combo (4prt a cappella)

This is Lee Greenwood "country" mega-hit song. This is an a cappella 4-part QUARTET version. The verses are sung using the Lead and Bari as soloists (first half of verse-Lead solo ; second half of verse-Bari solo). Other parts sing "oo"s in verses. The second verse has a similar setup. This 4-part version, as well as the 5-part a cappella version (for choruses) differ substantially from my instrumentally accompanied 4-part version. These a cappella versions can NOT be used with the accompaniment track. Quartets and choruses singing at a "B-" contest level should be able to successfully learn and perform this arrangement making good use of the available high quality **instrumentally played**, part predominant Learning Trax (\$30). Millionaire's Hoedown - Women's Arrmt/LgTrax Combo

The up-tempo'd and energetic song was originally commercially written as an instrumental piece featuring a country fiddle part. Larry rewrote and arranged it especially for "Angel City" quartet for "live" country fiddle (the lead singer played exceptional violin) and 3 vocal parts accompanying the fiddle feature. He also wrote some interesting and appropriate lyrics that have made it a complete "song." It was so successful for Angel City that Larry adapted the arrmt to be performed in 4 vocal parts by choruses either using the available (written out) fiddle part with a "live" fiddle player... or using the fully orchestrated accompaniment track (with the country fiddle part mixed out in front) that Larry has recorded. Quartets (of course) must use the accompaniment track. Quartets and choruses that sing at a "B-" contest level should be able to successfully learn and perform this arrmt using the high quality *instrumentally played* Learning Trax.
